SUMMER INTERNSHIP / WORK EXPERIENCE

Data Analyst, Sriyanka Infratech   Jun 2023 - Jul 2023
I worked as a Data Analyst in a project "Any Vision Camera Integration with SW Solution" associated with Sriyanka Infratech . The project aims for integrated E challan System fo Traffic Management Wing.
My role was to categorise and gather data to create a dataset. I used numpy for image cropping and resizing and got to know about open cv as well. The internship helped me to brush up on concepts of ML/AI and tenserflow.

Salesforce Administrator Virtual Internship, Smart Internz   Apr 2023 - May 2023
During the 8 Weeks period of Virtual Internship (April-May 2023), I completed Admin Super Set.

PROJECTS

DopeKart - Web Development   Jun 2023 - Present
An e-commerce website made using Javascript, React, CSS and Firebase.
https://srm-1ff4b.web.app/

Car Price Predictor - Machine Learning   Jan 2023 - Jan 2023
I created a web app for car price prediction using machine learning with deployment using streamlit.

Portfolio Website - Web Development   Jan 2023 - Jan 2023
https://mayank-9.github.io/Portfolio/
